

Helping Your Company Find Its Way

Access to Senior Professionals

Whether it's a simple question, or reviewing a critical business decision your team will have access to senior professionals on demand.

Tax Optimal Strategies

We understand the benefits of **Personal Pension Plans**. A solution that when compared to an RRSP, the pension plan alternative allows up to 60% greater tax-deferred compounding until the individual retires.

With the right strategy in place, business owners can build assets in the most tax efficient plan.

Making Good Business Decisions

MP Group can assist your business with the following:

- **Financial Statements & Assurance Reports** for your business.
- **Corporate tax** consulting, planning & reorganizations
- **Improving cash flow**, cost savings & budgeting
- Working with your bank to **obtain financing**.
- Assistance with **buying or selling** a business
